Bailey E. Eason, PharmD, MS, BCPS
Board Member

Dr. Bailey E. Eason is a Board Certified Pharmacotherapy Specialist and graduated with her Doctorate of Pharmacy from *Purdue University College of Pharmacy*. She then completed her Health System Pharmacy Administration Residency at Wake Forest Baptist Health in Winston-Salem, NC. Parallel to her residency, Bailey completed her Masters in Pharmaceutical Sciences with a Specialization in Health System Pharmacy Administration from the *UNC Eshelman School of Pharmacy*.

Bailey has experience practicing in different patient care settings thanks to her residency but primarily practiced in adult medicine, critical care, and emergency medicine. Immediately following residency, Bailey joined the leadership team at UVA Health where she managed Surgery, Neurology and Controlled Substance Pharmacy Operations. Within this scope, she was responsible for the hospital's drug diversion program.

Presently, Bailey is the Program Director – Drug Diversion for Northwestern Medicine. In this role, she is responsible for overseeing system Drug Diversion efforts, creating policies and procedures, and working with key stakeholders to proactively mitigate the risk of drug diversion across her health system. She has found this career to align strongly with her professional interests that include: pharmacy operations, controlled substance compliance, drug diversion prevention/detection, medication safety and leadership/team development. She remains active within the pharmacy community through the professional pharmacy fraternity - Phi Delta Chi and the American Society of Health-System Pharmacists.

Outside of work, Bailey enjoys traveling, hiking, reading, and spending time with her family. She is on a mission to get to all the U.S. National Parks and is well on her way to accomplishing this goal in the years to come.
