Danielle Neal, PharmD,
MBA, BCPS, DPLA
Board Member

Dr. Danielle Neal is a Board Certified Pharmacotherapy Specialist and is a graduate of *Campbell University's College of Pharmacy and Health Sciences* where she received her Doctorate of Pharmacy Degree. Additionally, Danielle completed her Master of Business Administration at The Lundy-Fetterman School of Business at Campbell University. Prior to graduate school, Danielle attended High Point University where she graduated with a Bachelor of Science in Biology and Chemistry.

Danielle's professional interests include pharmacy compliance and operations, analytics and informatics, medication safety, and maximizing individuals and teams. Danielle's professional interests have led to a great passion for drug diversion detection and prevention efforts. Danielle has participated in both local and national associations within the pharmacy profession to advocate for patient safety and drug diversion detection and prevention programs.

Currently, Danielle is the Program Director II of Accreditation/Regulatory Compliance, Drug Diversion, and Medication Safety/Quality for Atrium Health. In her previous role as the Director of Drug Diversion and Controlled Substances Compliance, Danielle developed a successful drug diversion program that would not only focus on detecting drug diversion, but also strive to proactively prevent opportunities for diversion in the workplace.

Danielle was elected to the IHFDA board in the fall of 2022 as The Director at Large, and will officially begin her term in January of 2023.

Danielle is also a mom to three children and has been married for 11 years. She enjoys the beach, traveling with her family, and rocking on her porch in the evening.
