EXECUTIVE BOARD MEMBER

Dr Pam Talley
Board Member

Pam Talley received her undergraduate degree from Dartmouth College, her medical degree at the University of Rochester School of Medicine and Dentistry and trained in Family Medicine at the University of Iowa Hospitals and Clinics. After a 20 year clinical career, she pursued a Master in Public Health in epidemiology at the Colorado School of Public Health followed by a two year applied epidemiology fellowship with the Centers for Disease Control and Prevention as an Epidemic Intelligence Service Officer.

In addition to her role as IHFDA board member, she is active in the Council for State and Territorial Epidemiologists (CSTE) drug diversion work group. Recent work experience in public health includes her role as the Deputy Director of Healthcare-Associated Infections & Antimicrobial Resistance, and currently as the Medical Director of HIV/STD/Viral Hepatitis at the Tennessee Department of Health. Her passion is for increasing awareness of the underappreciated risk of viral bloodborne pathogen transmission and life-threatening bacterial infections secondary to tampering and substitution.
