

## Benjamin Mink

2018 IHFDA Conference Speaker

BENJAMIN F. MINK is the President of GTC Consulting based out of Cincinnati, Ohio. Mr. Mink graduated, summa cum laude, from Everest University with a Master's Degree in criminal justice in 2010. Mr. Mink's consulting practice is dedicated to helping those members within the pharmaceutical supply chain to meet their state and federal controlled substance regulations, and to obtain mission essential quality certifications such as the VAWD accreditation. Mr. Mink prides himself as being a problem solver and a results-oriented risk manager.

In 2017, while serving as the interim Director of Compliance and Security at Miami-Luken, Mr. Mink provided testimony to representatives of the United State Congress assisting them in their fact-finding investigation into the opioid epidemic in the state of West Virginia. Furthermore, Mr. Mink was the recipient of the NADDI Challenge award presented to him in November of 2017, for his career dedication to preventing drug abuse, misuse, and diversion.

Mr. Mink actively serves on the the National Association of Drug Diversion Investigators (NADDI) Ohio Board of Directors and has been a dedicate member/supporter of the International Healthcare Facility Diversion Association (IHFDA) for several years. Prior to joining the private sector, Mr. Mink served with the Alaska State Troopers and as an undercover narcotics detective in central Louisiana.
