

Michele Sheaffer, RPh

2018 IHFDA Conference Speaker

Michele A Sheaffer, RPh, Associate Director of Pharmacy Operations at Abington Hospital-Jefferson Health is a graduate from Rutgers College of Pharmacy. She has been practicing in hospital pharmacy since 1991. In 2009, she began her career in pharmacy management and ultimately achieved her current position. Collaboration and participation with multidisciplinary teams has led to her success in project implementation and management. Michele is a member of ASHP and has completed the Pharmacy Leadership Institute Program in 2014. In recent years, she has been actively involved with the utilization of automation technology to improve patient safety and ensure proper handling of controlled medications. Joint efforts with anesthesia and nursing have led to system wide improvements. She is actively involved with the department residency program and precepts IPPE and APPE students for various colleges. She has been a member of Pennsylvania Society of Health- System Pharmacists since 2011 in both the BuxMont and Delaware Valley chapters. Drug Diversion prevention and monitoring is an area of expertise that she has developed over the years and is a member of International Health Facility Diversion Association since its inception in 2016. She is also a consultant for Divertua, LLC.
